4. *Budget and Program Revisions*

The Administrative Circular A-133, Audits of States, Local Governments and Indian Tribal Governments, applies to this Award. Please refer to the Administrative Circular for specific details on revisions to this Award. 5. *Reporting*

Five forms of project reporting are required under this Award, listed below. The first quarterly reporting period is July 2002. Unless otherwise indicated, reports are due within 30 days of the end of the reporting period.

6. Payments

To receive payment, Igiugig Village Council must submit a “Request for Advance or Reimbursement”, Standard Form-270, to the Commission Project Officer. It is expected that the City will forecast by letter or spreadsheet format, Commission funds for working capital advances needed on a monthly (or as needed) basis for the project. Denali Commission funds advanced **may not** be deposited into interest bearing accounts. This does not preclude more frequent Commission payments than monthly, given project specific needs. The Commission Project Officer may review all payments to determine if payments made are justified and supported by appropriate records, invoices and other documentation. The Commission reserves the right to prohibit further payments to the City, at any time, if discrepancies involving Commission funds arise, until such time that the discrepancies are resolved to the satisfaction of the Commission. Pay requests for City administrative costs shall be on a separate Standard Form – 270 (quarterly) from project pay requests.
